Town of Maple Creek
Council.

The Senior Hawks would like
your permission to get a
liquor license for the
mezzanine + 2 dressing rooms
for the Battle of the
Little Big Puck
on Sat Feb 17th from 6:30-10:30 P.M.

Thank You Len Rodin
Manager
Leonard Rodin

Town Council of Maple Creek.

The M.C. Bantam Hawks Parents have asked the S.R. Hawks to open the Bar on the Mezzanine for Bantam Provincial games.

Carlyle had a bar at their game and asked if M.C. would be having one as well. This has been approved by M.C. Minor Sports.

The Visiting Team travels by bus so this is not affecting drivers with kids in vehicles.

Carlyle is in M.C. on Feb 24th. at 6:15

Len Rodin

Manager M.C. S.R. Hawks

Mayor Barry Rudd
Town of Maple Creek
MAPLE CREEK SK S0N 1N0

Dear Mayor Rudd

Each year the Maple Creek Composite School hosts a hockey game to raise funds for Telemiracle. This year the game is scheduled to be played on Friday, February 16 from 12 p.m. to 3 p.m.

We would like the Town of Maple Creek to consider, as the Maple Creek Community Rink Board has in the past, waiving the ice rental for this very worthwhile event. Each year we have been able to donate almost \$1,000 which would not be possible if we were required to pay for the ice rental.

We would also like to request that the rink booth be open and ready for business at 12:00 noon as many students will make their way over to the rink for lunch prior to the beginning of the first game.

Thank you, in advance, for considering our request.

Sincerely

Tracy Walkow
SRC Advisor

RE: CiB Circle of Excellence Program

At the February 5th, 2018 meeting of the Maple Creek CiB Steering Committee, the question was discussed of what to recommend to Council with regard to the future of Maple Creek's participation in the CiB Program now that Maple Creek is a CiB National Championship winner.

The committee observed that the Community Development benefits of participating in the CiB Program has had, and continues to have, a significant and positive impact on Maple Creek's appeal as an increasingly desirable place to visit, to live and to do business.

It was also observed that the annual cycle of work undertaken by the committee in support of achieving the community's objectives related to maintaining positive first impressions and hometown pride still needs to be undertaken each year so as to ensure that the community continues to move forward in a positive and sustainable way.

Fortunately, the CiB National Program has anticipated the needs of Canadian communities that have reached the level of becoming National Championship winners, and has created a special non-competitive category for past national winners called the "Circle of Excellence."

The Circle of Excellence program allows past national winners to continue to participate in the CiB Program, to be provided with the structure and guidance of the CiB Program nationally, and provides the community with the benefit of continued evaluation and feedback for the purposes of on-going community growth and development.

The deadline for registering with the Circle of Excellence is March 1st, 2018.

At their most recent meeting, the Maple Creek CiB Steering Committee made the following recommendation:

"Sally moved that the Maple Creek CiB Steering Committee, as a Committee under Council, recommend to Mayor & Council that the Town of Maple Creek, as a past national championship winner, register to participate in the non-competitive "Circle of Excellence" evaluated program. Seconded by Shelly. Carried."
